What is IB?
IB is an international non-profit organisation responsible for the most popular, prestigious, pre-university programme in the world – the Diploma Programme (DP). Students that follow the DP study fewer subjects, at a higher level, compared with the Swedish programmes.

Furthermore, not only are IB students expected to develop academically but their social, moral and personal development is also central.

Want to know more?
We organise a Taster Day (prova på) for ALL students in year 9 – Friday 15 December 2017. Spaces are limited. So if you would like to find out what being an IB student is all about, please email: agneta.myhr@vasteras.se
